Topic 1 - Using GitHub

Timestamp: 12 September 2022 8:59am

Location: Discord

Opened By: Marabel

Discussion:

Marabel asks Gabriel if the team is using GitHub for version control. Gabriel responds that the team is.

Gabriel asks Darma if he can share the master page code on GitHub. Darma responds that he will try it later.

Darma asks if he should use the current GitHub repository or make a new GitHub repository.

Darma asks Marabel to help make the GitHub as he is unsure of how to do so. Marabel responds that she will send the instructions to do so later in the afternoon.

Topic 2 - Git and GitHub

Timestamp: 12 September 2022 4:51pm

Location: Discord

Opened By: Marabel

Discussion:

Marabel sends the requirements for using Git and instructions for making Git Pull and Git Push.

Marabel also sends the new link to the GitHub Code Repository.

Topic 3 - Master Page Commit

Timestamp: 14 September 2022 12:28pm

Location: Discord

Opened By: Darma

Discussion:

Darma states that he has uploaded the master page to the new repository.

Topic 4 - Project Schedule

Timestamp: 15 September 2022 5:11pm

Location: Discord

Opened By: Henry

Discussion:

Henry sends a screenshot of the project schedule to the Discord.

Henry states that any questions about the coding phase can be directed to Gabriel.

Henry states that for testing, demo and submission phase, the dates written are an estimated timeline based on the team's (school) timetable.

Henry states that if any of the dates require changes, he will update them along the way.
