Topic 1 - Report Update

Timestamp: 21 September 2022 4:24pm

Location: Discord

Opened By: Gabriel

Discussion:

Gabriel states that he has done the report and sent the document to each team member's email. Gabriel states that the team can check and let him know if there is anything for him to add or update to the report and spreadsheet.

Gabriel also states that he has done the front end part.

Topic 2 - GitHub Update

Timestamp: 21 September 2022 11:28pm

Location: Discord

Opened By: Marabel

Discussion:

Marabel states that she has updated the GitHub with folder management and updated the footer for the master page. Marabel states to note this.

Marabel states that she is currently working on the front end code for her pages.

Marabel asks that if possible, team members should make all their front end pages responsive.

Gabriel and Henry replied with acknowledgement.

Topic 3 - Database Clarification

Timestamp: 23 September 2022 3:22pm

Location: Discord

Opened By: Marabel

Discussion:

For clarification, Marabel asks the team what database they are going to use.

Marabel asks if it will be Visual Studio. No response was given.

Topic 4 - GitHub Update

Timestamp: 24 September 2022 11:28am

Location: Discord

Opened By: Darma

Discussion:

Darma pings the team and states that he has updated the campus page (event, history and achievement) at GitHub.
