Discussion Details

Topic 1: Share Reference Work

Opened By: Ezra

Location: Classroom

Discussion Points:

Ezra asks Marabel if she knows how to create the delete button for the website.

Marabel states that she knows how to and has done so in a previous module.

Gabriel asks if Marabel can share her codes from that module. Gabriel also asked other members to share their codes for prior assignments so that the team may use it for reference.

Marabel sends the link to her GitHub repository of her code in Discord.

Topic 2: Work Schedule

Opened By: Henry

Location: Discord

Discussion Points:

Henry sends a screenshot of the project schedule to the team on Discord.

Henry states that for the coding phase, finish dates are set by Gabriel. Hence, any questions about the dates can be directed to Gabriel.

Henry also states that for the testing, demo and submission phase, finish dates are just estimates base on the team's timetable.

Henry then states that he will update the schedule if any dates change.

Below is Henry's screenshot of the project schedule:
