Discussion Details

Topic 1: Feedback from Supervisor

Opened By: Marabel

Location: Discord

Discussion Points:

Marabel lists the following feedback from the supervisor:

1. Presentation:
 - Pre-record and live. (pre-recorded version in case of technical failures)
 - Formal presentation, must have face cam. Present seriously and professionally
 - Don't read off slides
 - 10-15 minutes
 - Content should be similar to final report
2. Database design:
 - Only need conceptual model
3. Report:
 - Methods section should talk about the project tools used
 - Project schedule put in appendix
4. Project schedule:
 - Needs to reflect projected schedule for next semester
5. Wireframes:
 - Should include admin pages (at least 1)

Topic 2: Presentation Recording

Opened By: Gabriel

Location: Discord

Discussion Points:

Gabriel states that they have decided to do the pre recorded presentation for next week's lesson.

Gabriel asks the team which day they prefer to record the presentation.

Gabriel suggests Friday or Saturday as possible dates.

The responses are as follows:

- Gabriel prefers Saturday evening
- Darma prefers Saturday
- Marabel is ok with Saturday
- Henry is ok with Saturday.

Topic 3: Conceptual Database

Opened By: Darma

Location: Discord

Discussion Points:

Darma states that he will make the conceptual database and asks the team to send him their database tables.

Marabel sends a word document of her tables

Darma asks if he should create 1 big diagram or many diagrams. Marabel responds that 1 big diagram should be fine.

Henry sends a text file of his tables

Topic 4: Updated Project Schedule

Opened By: Marabel

Location: Discord

Discussion Points:

Marabel asks Henry if he can make the project schedule for next semester. Henry agrees
