Topic 1 - Work Progress Check-In

Timestamp: 29 September 2022 12:22pm

Location: Discord

Opened By: Gabriel

Discussion:

Gabriel states that he has completed the front end for homepage.

Gabriel asks the team if they have started yet.

Darma replies to a previous message about his GitHub update and asks Gabriel if that is what he is referring to . Gabriel responds no. Gabriel states that Darma's message refers to the introduction to campus history and event that will be held in campus. Darma clarifies with Gabriel whether he wants front end like that in his message. Gabriel responds yes.

Gabriel states that html, css, bootstrap and javascript also can.

Topic 2 - Database Table Clarification

Timestamp: 1 October 2022 10:24pm

Location: Discord

Opened By: Darma

Discussion:

Darma asks the team to recheck the database tables to see if they have include everything that they needed.

Marabel responds with a list of changes to her database tables and asks Darma if he can update these changes. Darma agrees.
